# OEM PRODUCT SUMMARY PRICE INSERT APRIL 1980

## INTRODUCTION

This Price list includes discount types, maintenance costs, and installation charges for PDT-11 terminals; PDP-11/03 and 11/23 microcomputers; PDP-11/04, 1134A, 11/44, 11/60, and 11/70 minicomputers; VAX-11/780 processors; and associated hardware/software options available from DIGITAL's Technical OEM Product Group.

## PURCHASE PRICE

Purchase prices are stated in U.S. dollars, FOB DIGITAL plant based on DIGITAL's standard OEM terms and conditions, and apply only in the continental United States. Federal, state, and local taxes are not included. All prices and specifications are subject to change without notice.

**Note:** 1 following price indicates that Installation and warranty are mandatory  
\* contact product line for pricing information

## INSTALLATION

Installation under OEM terms and conditions is the responsibility of the purchaser except as otherwise agreed upon by DIGITAL. Installation may be purchased at \$300 or 3% of the system list price, whichever is greater. This option includes a 30-day on-site warranty. A 90-day warranty may be purchased for \$500 or 5%, whichever is greater. These options must be exercised at the time the system order is placed.

## MAINTENANCE

Hardware maintenance is available on a yearly contract basis or as a per-call service. The maintenance rates in this price list are for a contract covering scheduled preventive maintenance plus emergency calls during the normal 40-hour business week. Additional emergency coverage is available at an increased rate.

Per-call service is provided on an hourly basis for time, plus materials and travel expenses.

## WARRANTY

Warranty under OEM terms and conditions is 30-day return-to-factory, except where otherwise specified. For the PDP-11/03, 11/04, and 1134A, the installation and 30-day on-site warranty option may be purchased as noted previously. For the PDP-11/60, 11/70 and VAX-11/780, purchase of on-site installation and 30-day warranty is mandatory. An installation and 30-day on-site warranty is mandatory. An installation and 30-day on-site warranty may also be required for certain high-speed options on the PDP-11/03, 11/04, and the 1134A. This is a warranty for both parts and labor.

## DISCOUNT

The discounts referenced herein and as stated in the OEM Discount Agreement are based on DIGITAL's standard OEM terms and conditions of sale.

The Discount column indicates:

- 1 - Type 1 Discount
- 2 - Type 2 Discount
- 3 - Type 3 Discount
- 10% - 10% Discount
- NONDSC or N - Non-discountable
- A or F - Accessories & Supplies Discount Schedule
- N/C - No Charge
- N/A - Not Applicable

## DOCUMENTATION

One set of minimum hardware diagnostics and one set of OEM circuit schematics are furnished with each PDP-11 and VAX-11 delivered under OEM terms and conditions. Exceptions are that only OEM circuit schematics will be furnished with each PDP-11/03 and only minimum hardware diagnostics will be furnished with each PDP-11/04 and VAX-11. Additional sets may be purchased from DIGITAL for a nominal fee.

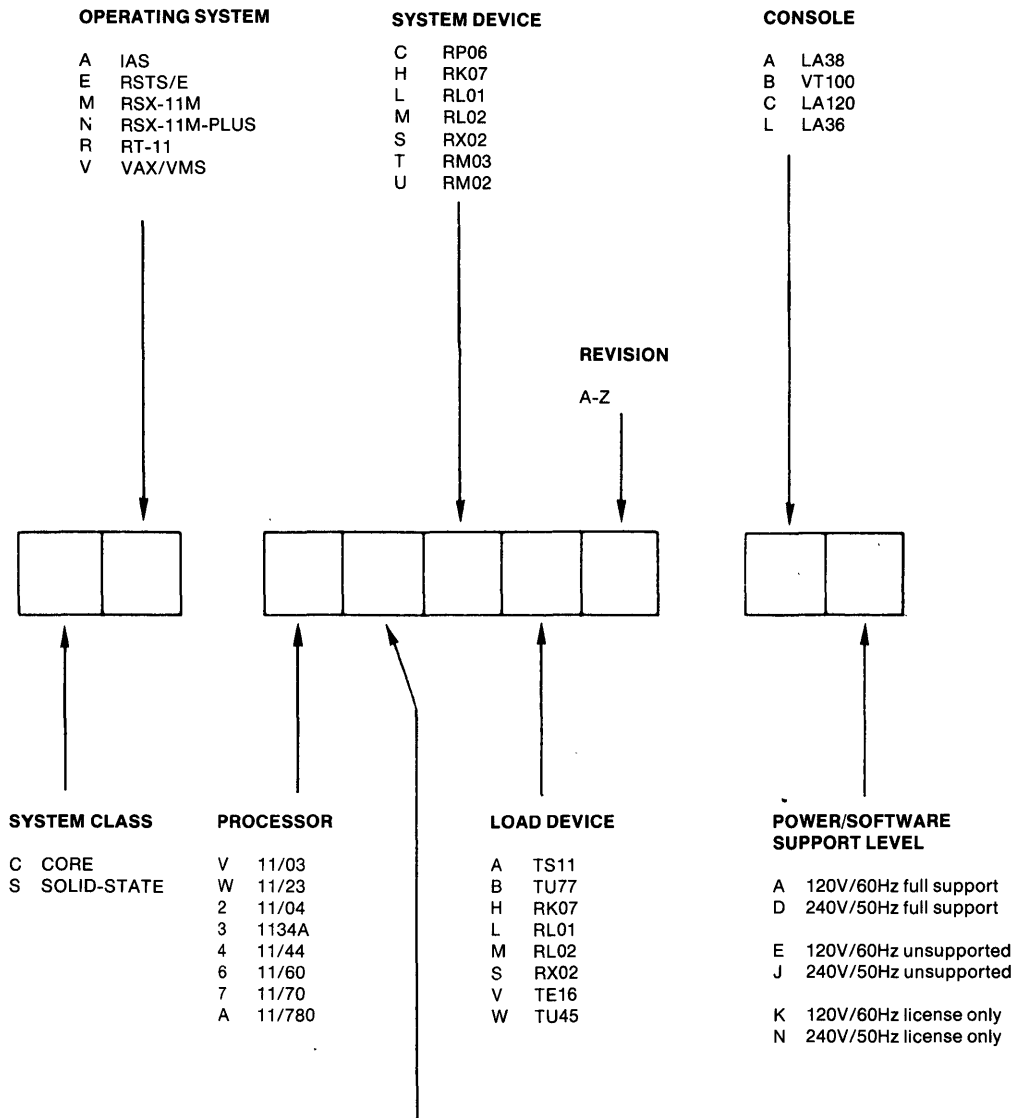

## FIELD INSTALLATION OF OPTIONS

Installation and 30-day on-site warranty is mandatory for certain equipment specified in the Price List and, when ordered as a field add-on, must be purchased at the then standard DIGITAL charges for Field Service installation and one-month maintenance.

## PAGE

\*\* Indicates that the system variation listed is not actually shown in the product summary or in the case of software the page number is only given once as all variations of the software appear on that page.

## PACKAGE SYSTEM MODEL NOMENCLATURE

If processor code is letter, then X.  
 If processor code is number, then 0.
